NEWSLETTER

Here in the Bata Reminiscence and Resource Centre a new venture has been launched you may soon take advantage of our mobile explorer. Using a handset you may hear a description as you walk through our Bata site. Some of our volunteers are working on a brochure depicting "a walk trail", showing points of interest with a history of the Bata Community for others to explore with them. An opportunity may be here for you to share with us. If you would like to share the experience you may see the app through the link on your i phone or the web on www.coalhousefortpark.org.uk/index.php/explorer/

Our centre has been to Bille-ricay to give a talk and a group from National Trust volunteers came to us and made use of the handsets during their visit.

Community Fun Day 2011 weather was not very kind this year. However, we were able to provide some shelter and interest in our gazebo during the downpour. We would have benefited from the wearing of Bata boots as the surrounding ground became sodden.
